**Directions to Bagdad Hills Vineyard -** 1557 Midland Highway, Bagdad, 7030  
Coming from the North:-

1. When you drive down Constitution Hill and the road levels out you are entering Bagdad and you will pass a Petrol Station on your right.
2. About 2.5 km past the Petrol Station you will come to the start of **new road works** with concrete barriers on your right. Speed signs are now 40 kph and 60 kph.
3. **About 100 m past the School Road turnoff (on your left) is the turnoff to our property, on your right, through a gap marked by Yellow Barriers.**

Coming from the South:-

1. When you bypass Brighton you come to a large roundabout which takes you onto the original old highway and the start of a long section of **new roadworks with concrete barriers in places.**
2. About 5km from the roundabout you pass Bagdad PO and Petrol Station on your left.
3. **Our turnoff is 500m on your left past the PO/Servo.** Drive slowly past concrete barriers (now on your left) - **enter our property, on your left, through a gap marked by Yellow Barriers.**
